

Privacy policy and cookies

Legal information

These legal terms regulate this website utility, hereinafter the Web, made available to Internet Users, and owned by Albert Estivill Carpintero, with ID 38116169V and domiciled at 08013 Barcelona, carrer Mallorca, 450 , hereinafter the Holder.

The use of the Web by the User implies full and unreserved acceptance of these legal terms, which is the reason why this document is permanently available, and it also will have to be reviewed periodically since the Web can be updated or modified as the time goes by.

Purpose

The purpose of the Web is to promote the Owner's products and services to the Users. The Holder has the right to make at any time and without need of any notice, any modification or update of the contents and services, as well as of the design and its configuration.

None personal data of the User is requested or collected at any time. However the Web has an email address to send the Holder the information you want or your CV. In this case, the User will be the only responsible of its manifestations and veracity of the information sent.

Use and contents of the Web

The Owner and the User undertake to use the Website in accordance with Law 15/1999 of December 13, RD 1720/2077 of December 21 on data protection, Law 34/2002 of July 11, Law 34/2002 of July 11 on information services, and complementary regulations.

They also undertake to comply with and be respectful with the morality and the good uses and customs generally accepted by society.

The User mustn't use the contents or the hardware or software for illegal purposes, those are banned or are against the rights and interests of the Holder or others. Also the User is not allowed to deteriorate, overburden or avoid the normal use of the contents of the Holder or of others Internet users, liable for any damage or harm.

The User undertakes not to transfer, disclose or make available to third parties information, data, content, messages, images or files on the Website, in bad faith, unlawful commercial interests or against the interests of the Holder.

The source code, graphic design, images and any other component of the Web are protected by applicable law and are not allowed full or partial reproduction or processing without the knowledge and authorization of the Holder.

The Holder will keep updated its content or, if applicable, from third parties, which may include referrals or links managed by third parties, available on the Internet, but will not assume any responsibility for these links to the Web, since they will not imply approval, marketing or any kind of relationship between the Web and the persons or entities that hold the sites where the links are located.

Data Protection

For the purposes of the current regulations on the Protection of personal data, the Holder informs the Users that the personal data that they can voluntarily provide can be included in an automated file of personal data of the Holder, for the purpose of maintenance and Managing the relationship with your clients and supporters, committing themselves not to transfer them to third parties. The User may exercise the right of access, rectification, cancellation and opposition by sending a copy to the Holder with a copy of a document certifying their identity.

The received information corresponding to CVs for job search will be treated confidentially, authorizing the issuer to the Holder to send you communications regarding the company's services. If the issuer does not wish to receive the communications, it can notify the Holder in writing.

Cookies

The User browsing the Web may receive cookies those will be stored on their computers and contain anonymous data to remember your preferences and browse safely. However, the Holder is able to use cookies those collect **anonymous** data related to the analysis of the Web utility in order to improve the service to the User. The Web may have links to other websites or social networks without the Holder not taking control of the cookies they use. The User will have to review the cookies policies of that website.

The User may change the cookies settings of their computer in order to not allow their storage: <https://tools.google.com/dlpage/gaoptout?hl=en-GB>

Advertising

The Web may publish advertising or sponsored content. Advertisers or sponsors are the only responsible for ensuring that the material ceded to the Holder for publication on

the Web complies with the current applicable regulations, exempting the Holder from any liability for mistakes, inaccuracies or irregularities that may have these mentioned contents.

Responsibilities

Both the Owner and the User will be liable for damages as a result of the breach of their obligations established in this document and in the corresponding regulations.

The Holder is not liable for damages or damages to the User as a result of involuntary errors in the parts that could be of his responsibility or in the disconnections of the telecommunication networks that could produce the suspension, cancellation or interruption of the service of the Web.

Access to the Web does not imply the obligation on the part of the Owner to control the absence of viruses or malicious elements. In any case, the User is responsible for the availability of prevention tools. The company is not responsible for the damages produced in the computer equipment, documents and / or files of the User or of third parties during the provision of the service. Nor is it responsible for the lack of material or technical requirements to access the Web or its links.

Legal jurisdiction

This Privacy Policy is governed by the applicable national law. In order to resolve any dispute derived from the Web, it will be expressly submitted to the courts and tribunals of the city of Barcelona.
